Glossary

Faculty – All faculty including core and associated.

Associated Faculty – Associated faculty are those individuals who have classroom and/or laboratory teaching responsibilities in the curriculum and who are not core faculty or clinical education faculty. The associated faculty may include individuals with full-time appointments in the unit in which the professional program resides, but who have primary responsibilities in programs other than the professional program.

Core Faculty – Core faculty are those individuals appointed to and employed primarily in the program. Members of the core faculty typically have full-time appointments, although some part-time faculty members may be included among the core faculty. The core faculty are generally the group with the responsibility and the authority related to the curriculum. Includes program directors and directors of clinical education (DCEs). It does not include associated faculty.

Other Faculty – Core faculty excluding program directors and clinical education coordinators (DCEs & ACCEs).
