On July 21, 2015, the Commission on Accreditation in Physical Therapy Education made the following decision regarding the physical therapist assistant education program at Heartland Community College.

Comments from the Candidacy Reviewer  

Reason for Decision:  
The Commission's decision to grant Candidate for Accreditation status is based on the program's demonstration of satisfactory progress, to date, toward achieving compliance with the evaluative criteria, such that the program appears to be of sufficient quality to matriculate students into the technical program. The Commission's decision was also based on the belief that the program will bring the areas of deficiency noted in the Summary of Action into compliance. That compliance, as well as compliance with all of the evaluative criteria, must be appropriately documented in the Self-study Report.

Candidacy for Accreditation status has been granted based on the program represented in the Application for Candidacy. Specifically, the decision was made in light of the following information:  
One cohort of students per year (per §7.3(b) of CAPTE’s Rules of Practice and Procedure, April 2015)  
  Number of students per cohort: 16  
  Curricular Model: 1+1  
  Intended Matriculation Date: January 2016  

Therefore, it is expected that the program will be implemented to reflect the information provided in the Application for Candidacy and that no substantive changes will be made. This includes no changes in cohort size or the number of cohorts to be admitted per year until the program is eligible to seek approval of substantive changes.

Next Activity: Self-study Report and On-site Visit in 2017  
Accreditation Decision: Spring 2017 (based on expected graduation May 2017)  
Notices: The program is advised to heed the following notices:

SCOPE OF COMMISSION REVIEW
Independent of any long term plans described, or alluded to, by the program in its Application for Candidacy, the scope of the Commission’s review at the time of this decision to grant candidacy was based on actual and verified resources and related considerations, and not on planned or projected program resource levels to address future program changes (e.g., expansion and other program offerings, the number of cohorts admitted annually, etc.). As agreed to when the Application for Candidacy was submitted, the program is limited to enrolling one cohort annually and to maintaining class size at the approved number noted in this Summary of Action. Candidate programs are not eligible for substantive changes requiring pre-approval as described in Part 9 of CAPTE Rules of Practice and Procedure.

RELATIONSHIP BETWEEN CANDIDACY AND ACCREDITATION
Achieving Candidate for Accreditation status does not assure the program will become accredited. The Commission's decision to grant accreditation will be based on the program's ability to demonstrate compliance with the evaluative criteria. Please bear in mind that the lack of comment about a specific criterion in this Summary of Action does not imply that the program is in compliance with that criterion; it only means that satisfactory progress toward compliance has been achieved. Therefore, the step the program must make from demonstrating progress toward compliance with the specific criteria addressed in the expectations for candidacy and demonstrating compliance with all of the criteria for accreditation is a significant one; you are urged to proceed accordingly.

REQUIRED STATEMENT DESCRIBING THE PROGRAM'S STATUS
The institution/program is expected to indicate on its website, in its publications, or in correspondence related to recruitment or admissions that Candidacy status has been granted, using the statement provided in §7.22 of CAPTE’s Rules:

Effective (insert date), (insert Name of Program/Institution) has been granted Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (1111 North Fairfax Street, Alexandria, VA, 22314; phone: 703-706-3245; email: accreditation@apta.org). Candidate for Accreditation is a pre-accreditation status of affiliation with the Commission on Accreditation in Physical Therapy Education that indicates that the program is progressing toward accreditation and may matriculate students in technical/professional courses. Candidate for Accreditation is not an accreditation status nor does it assure eventual accreditation.

IMPLICATIONS OF SUMMER GRADUATION
If the program plans for the charter class to graduate in July, August or September, the program is required to include information regarding the implications of a summer graduation relative to the timing of graduation and the ability to sit for the licensure exam. The statement provided in §7.89(g) of CAPTE’s Rules is to be used for this purpose.

ACCURATE PUBLIC DISCLOSURE OF THIS DECISION BY THE INSTITUTION
The institution and program must make accurate public disclosure of the accreditation or preaccreditation status awarded to the program. Further, the United States Department of Education (USDE) requires all recognized accrediting agencies to provide for the public correction of incorrect or misleading information an institution or program releases about accreditation or preaccreditation status, contents of reports of on-site reviews, and accreditation or preaccreditation actions with respect to the institution or program. [34 CFR 602.23(d) and 602.23(e)] If the institution or program chooses to disclose any additional information, beyond the accreditation or preaccreditation status that is within the scope of the
USDE rule, such disclosure also must be accurate. Any public disclosure of information within the scope of the rule must include the agency’s street address, email address and phone number: Commission on Accreditation in Physical Therapy Education, 1111 North Fairfax Street, Alexandria, Virginia 22314; accreditation@apta.org; (703) 684-2782 or (703) 706-3245. If the Department of Accreditation finds that an institution or program has released incorrect or misleading information within the scope of the USDE rule, then, acting on behalf of CAPTE the Department will make public correction, and reserves the right to disclose this Summary of Action in its entirety for that purpose.

PUBLIC NOTICE OF DECISIONS BY CAPTE
Following all decisions, including decisions to place a program on warning, probation or show cause, or to deny candidacy, withdraw candidacy, withhold accreditation, or withdraw accreditation, the Department of Accreditation will, within 24 hours of notifying the programs and institutions of the decisions, provide notice to the public by placing notice of the decisions on its web site.

PUBLIC NOTICE OF REASONS FOR DECISIONS
Pursuant to expectations of the Council for Higher Education Accreditation, CAPTE provides public notice of the reasons for its decisions to grant candidacy, or grant or reaffirm accreditation. These notices are in addition to the notices of reasons for probation and for final adverse actions as required by the US Department of Education. The front page of this Summary of Action will be used for this purpose.

RESPONSIBILITY TO REPORT CHANGE(S)
The institution and program are responsible for notifying CAPTE of all reportable changes in the program prior to implementation. Unexpected changes are to be reported immediately after they occur. Reportable changes, some of which may require pre-approval, are described in Part 9 of CAPTE’s Rules of Practice and Procedure (http://www.capteonline.org/AccreditationHandbook/). It is the program’s responsibility to be familiar with these expectations and to provide notification of program changes as required.

PUBLIC NOTICE OF DECISIONS BY CAPTE
Following all decisions, including decisions to place a program on warning, probation or show cause, or to deny candidacy, withdraw candidacy, withhold accreditation, or withdraw accreditation, the Department of Accreditation will, within 24 hours of notifying the programs and institutions of the decisions, provide notice to the public by placing notice of the decisions on its web site.

PUBLIC NOTICE OF REASONS FOR DECISIONS
Pursuant to expectations of the Council for Higher Education Accreditation, CAPTE provides public notice of the reasons for its decisions to grant candidacy, or grant or reaffirm accreditation. These notices are in addition to the notices of reasons for probation and for final adverse actions as required by the US Department of Education. The front page of this Summary of Action will be used for this purpose.

RESPONSIBILITY TO REPORT CHANGE(S)
The institution and program are responsible for notifying CAPTE of all reportable changes in the program prior to implementation. Unexpected changes are to be reported immediately after they occur. Reportable changes, some of which may require pre-approval, are described in Part 9 of CAPTE’s Rules of Practice and Procedure (http://www.capteonline.org/AccreditationHandbook/). It is the program’s responsibility to be familiar with these expectations and to provide notification of program changes as required.
Commission on Accreditation in Physical Therapy Education
American Physical Therapy Association

SUMMARY OF ACTION
Doctor of Physical Therapy Program
University of Mary Hardin-Baylor
900 College Box 8010
Belton, TX  76513

On July 21, 2015, the Commission on Accreditation in Physical Therapy Education made the following decision regarding the physical therapist education program at University of Mary Hardin-Baylor.

Action Taken:  Grant CANDIDATE FOR ACCREDITATION

Effective Date:  July 21, 2015

Information Used to Make Decision:
- Application for Candidacy received March 1, 2015
- Candidacy Visit Report with Institution Response received June 28, 2015
- Comments from the Program Director
- Comments from the Candidacy Reviewer

Reason for Decision:
The Commission's decision to grant Candidate for Accreditation status is based on the program's demonstration of satisfactory progress, to date, toward achieving compliance with the evaluative criteria, such that the program appears to be of sufficient quality to matriculate students into the professional program. The Commission's decision was also based on the belief that the program will bring the areas of deficiency noted in the Summary of Action into compliance. That compliance, as well as compliance with all of the Standards and Elements, must be appropriately documented in the Self-study Report.

Candidate for Accreditation status has been granted based on the program represented in the Application for Candidacy. Specifically, the decision was made in light of the following information:
- One cohort of students per year (per §7.3(b) of CAPTE’s Rules of Practice and Procedure, April 2015)
- Number of students per cohort: 40
- Curricular Model: 4+2.33
- Intended Matriculation Date: August 2015

Therefore, it is expected that the program will be implemented to reflect the information provided in the Application for Candidacy and that no substantive changes will be made. This includes no changes in cohort size or the number of cohorts to be admitted per year until the program is eligible to seek approval of substantive changes.

Next Activity:  Self-study Report and On-site Visit in Spring 2017
Accreditation Decision:  Fall 2017 (based on expected graduation December 2017)
Notices:  The program is advised to heed the following notices:
NOTICES

SCOPE OF COMMISSION REVIEW
Independent of any long term plans described, or alluded to, by the program in its Application for Candidacy, the scope of the Commission’s review at the time of this decision to grant candidacy was based on actual and verified resources and related considerations, and not on planned or projected program resource levels to address future program changes (e.g., expansion and other program offerings, the number of cohorts admitted annually, etc.). As agreed to when the Application for Candidacy was submitted, the program is limited to enrolling one cohort annually and to maintaining class size at the approved number noted in this Summary of Action. Candidate programs are not eligible for substantive changes requiring pre-approval as described in Part 9 of CAPTE Rules of Practice and Procedure.

RELATIONSHIP BETWEEN CANDIDACY AND ACCREDITATION
Achieving Candidate for Accreditation status does not assure the program will become accredited. The Commission's decision to grant accreditation will be based on the program's ability to demonstrate compliance with the Standards and Elements. Please bear in mind that the lack of comment about a specific criterion in this Summary of Action does not imply that the program is in compliance with that criterion; it only means that satisfactory progress toward compliance has been achieved. Therefore, the step the program must make from demonstrating progress toward compliance with the specific criteria addressed in the expectations for candidacy and demonstrating compliance with all of the criteria for accreditation is a significant one and you are urged to proceed accordingly.

REQUIRED STATEMENT DESCRIBING THE PROGRAM'S STATUS
The institution/program is expected to indicate on its website, in its publications, or in correspondence related to recruitment or admissions that Candidacy status has been granted, using the statement provided in §7.22 of CAPTE’s Rules:

Effective (insert date), (insert Name of Program/Institution) has been granted Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (1111 North Fairfax Street, Alexandria, VA, 22314; phone: 703-706-3245; email: accreditation@apta.org). Candidate for Accreditation is a pre-accreditation status of affiliation with the Commission on Accreditation in Physical Therapy Education that indicates that the program is progressing toward accreditation and may matriculate students in technical/professional courses. Candidate for Accreditation is not an accreditation status nor does it assure eventual accreditation.

IMPLICATIONS OF SUMMER GRADUATION
If the program plans for the charter class to graduate in July, August, or September, the program is required to include information regarding the implications of a summer graduation relative to the timing of graduation and the ability to sit for the licensure exam. The statement provided in §7.8(g) of CAPTE’s Rules is to be used for this purpose.

ACCURATE PUBLIC DISCLOSURE OF THIS DECISION BY THE INSTITUTION
The institution and program must make accurate public disclosure of the accreditation or preaccreditation status awarded to the program. Further, the United States Department of Education (USDE) requires all recognized accrediting agencies to provide for the public correction of incorrect or misleading information an institution or program releases about accreditation or preaccreditation status, contents of reports of on-site reviews, and accreditation or preaccreditation actions with respect to the institution or program. [34 CFR 602.23(d) and 602.23(e)] If the institution or program chooses to disclose any additional information, beyond the accreditation or preaccreditation status that is within the scope of the USDE rule, such disclosure also must be accurate. Any public disclosure of information within the scope of the rule must include the agency’s street address, email address and phone number: Commission on Accreditation in Physical Therapy Education, 1111 North Fairfax Street, Alexandria, Virginia 22314; accreditation@apta.org; (703) 684-2782 or (703) 706-3245. If the Department of Accreditation finds that an institution or program has released incorrect or misleading information within the scope of the USDE rule, then, acting on behalf of CAPTE the Department will make public correction, and reserves the right to disclose this Summary of Action in its entirety for that purpose.

**PUBLIC NOTICE OF REASONS FOR DECISIONS**
