

Pre-Workshop Instructions: Developing Program Workshop

Prior to the first webinar, please review the following two PowerPoint presentations, which are located under the Additional Resources section of the Workshop Materials webpage, as they provide an overview to CAPTE accreditation, using the CAPTE Accreditation Portal, and the Application for Candidacy and On-site Visit. Please bring to the workshop any questions you have after reviewing these presentations.

1. Intro to CAPTE Accreditation.ppt

This PowerPoint reviews the CAPTE accreditation process. There are notes in each of the slides.

2. Using the Accreditation Portal.ppt

This PowerPoint reviews the parts of the Application for Candidacy, submitting the report on the CAPTE Accreditation Portal and the on-site visit. There are no notes in this presentation.

The following documents will be used during each webinar. We suggest that you download them to your computer for use during the virtual online presentations.

a) Developing Program Workshop Slides

This is the PowerPoint that will be used during the workshop.

b) DPW Worksheet

This Word document provides the examples and discussion points to be used during the workshop when reviewing the Standards and Required Elements.

c) Document Examples for DPW Workshop

This PDF document provides examples of documents to be used during the workshop.

d) PT Application for Candidacy

This Word document contains the Application for Candidacy for PT programs. It also provides definitions.

e) PTA Application for Candidacy

This Word document contains the Application for Candidacy for PTA programs. It also provides definitions.

f) AFC Instructions and Forms Packet

This Word document contains the Application for Candidacy instructions and required forms.
